Greetings Soccer Players and Families,

As we gear up for the Fall 2013 season, there are five registration days starting with a special registration date for Volunteers and their children the evening of April 17 with open registration running through the first weekend in June. We expect over 1,000 players ranging in ages 4 through 18 on over 100 teams playing soccer every Saturday through mid-November at Crestmoor and Parkside Fields. Within our program we also offer a VIP Program for our players with special needs. We look forward to offering the highest quality soccer program for your children during the course of the year. San Bruno AYSO (Region) is part of American Youth Soccer Organization, (AYSO) a national organization of youth soccer leagues of over 725,000 youth soccer players. AYSO has six core philosophies which help set the tone for our program for safe, fair and fun soccer. The six philosophies form the foundation for all that we do within our region – Everyone Plays, Balanced Teams, Open Registration, Positive Coaching, Good Sportsmanship and Player Development.

Start your Fall Season by with joining us at one or more of the soccer camps we offer. Summerkicks is an informal soccer clinic for U6 – U12 on Tuesdays and Thursdays from 5:30 – 7:30 p.m. for the first three weeks in June at Crestmoor Field. We also offer four formal soccer camps at Crestmoor Field from Challenger Sports and UK Soccer Camps – June 24 – 28 - Challenger Sports
July 22 – 26 – UK Soccer Camps
July 29 - Aug 2 – Challenger Sports
Brazilian Style
August 12 – 16 – UK Soccer Camps.

Sportsmanship

One of our six core values is good sportsmanship. We strive to create a positive environment based on mutual respect, rather than a win-at-all-costs attitude, and our program is designed to instill good sportsmanship in every facet of AYSO.

It is very important that our coaches, referees, parents and volunteers demonstrate good sportsmanship at all times regardless of the outcome of the game. Young impressionable kids will notice how the adults around them are acting. If you're screaming and yelling at the referee, players, coaches, then the players will feel it is "okay" to do the same thing. Developing good sportsmanship is such a valuable skill that these kids will carry with them as they get older. It all starts with the parents, and it will be reinforced by their coaches and other AYSO volunteers. The goal of a soccer game is always to win BUT every game will only have one winner so it is very important to be a good sport no matter which team your child is on.

<http://www.sanbrunoayso.org/camps.html> has more information.

Sign ups are available online (not SummerKicks) and at Registration Days.

Remember that San Bruno AYSO is an all volunteer organization. The programs we provide depend entirely on people like you who volunteer their time, skills and energy to make this all work. Please look for ways you can become more involved in our program and in supporting your children. We are always looking for Referees, Youth Referees, Coaches, team parents, field setup and takedown crew, people to help staff our information/support tent at the upper Crestmoor field, clean up crew, etc. You can volunteer at our registration sessions, by talking to any one of our league's board members or sending an e-mail to me at commissioner@sanbrunoayso.org. As a volunteer, there is a special volunteer registration day where you can register as a volunteer and register you children and avoid the long lines typically seen at other registration sessions.

Thank you for your continued support of our efforts and entrusting us with the chance to work with your children!

Coaches Corner

It's hard to believe but AYSO fall season is just around the corner already. San Bruno is always looking for caring volunteers to become AYSO coaches. Our veteran coaches have been giving their time and talents to ensure that the players of region 249 have a safe, fun, fair soccer experience. Most of the coaches have their own children in the program but because being a coach is so enjoyable and rewarding many of them continue coaching long after their own children have grown out of the program.

To become a new AYSO coach, all you need is to submit a volunteer application and receive approval. You are ready to begin your training, which is provided free of charge. It's a golden opportunity to spend quality time with your child coaching him/her how to play the game of soccer. The rewards you receive from helping kids have fun and contributing to their individual skills and teamwork will last a lifetime.

AYSO's U6, U8, U10, and U12 courses are all considered "stand alone" courses, meaning that you may take any one of them without having taken any prior courses. The U12 course becomes the prerequisite for taking the Intermediate course for U14, which is the prerequisite for taking the Advanced course needed for U16 & U19.

Course commitment times are as follows:

- U6 Coach –2 hours
- U8 Coach–2 hours
- U10 Coach–3 hours
- U12 Coach–5 hours
- U14 Coach (Intermediate)-15 hours
- U16 & U19 Coach (Advanced)–18 hours

Without dedicated volunteers signing up to return as coaches and the addition of new coaches coming on board, our program can't continue to provide a fun and safe experience for our children. We look forward to seeing you at soccer registration and hope you decide to become a volunteer in San Bruno.

“Soccer is like a play in two acts with the referee as the director. The drama contains the full spectrum of emotions including suspense, excitement, periods of calm followed by intense action, there are heroes and occasionally villains, and good performances building to a dramatic conclusion. A good director (referee) with well-coached actors (players) has the capability of creating a wonderful two-act play (game) that will be enjoyed by all who observe.”— Ken Aston

The San Bruno Referee’s Corner Facebook Page was created to provide all volunteers in Region 249 with information, guidance and training opportunities to fulfill all aspects of the AYSO National Referee Program. A good place to find everything about the program is in the National Referee Program Manual. You will find links to topics such as Laws of the Game, Referee forms, Books on Refereeing, Game videos and more. This material is provided to assist in your development as a Referee. If there are additional materials or links that you feel would benefit our Referee community, please forward your recommendations to Alfonso Esqueda, Regional Referee Administrator at: referee@SANBRUNOAYSO.ORG

AYSO referee training is designed to provide education to referees and prospective referees that will allow them to officiate AYSO soccer

matches in accordance with the FIFA Laws of the Game and the AYSO National Rules and Regulations. It is the intent of the AYSO National Referee Program to provide practical, incremental referee training that will ensure consistency throughout AYSO.

To register for a course, visit www.eayso.org Enter your eAYSO user name and password and, in the menu bar, click on “Lookup” and select “Course”. Requirements for upgrades as a Referee, a Referee Instructor and a Referee Assessor may be found in the Appendix of the National Referee Program Manual. Questions on training? Contact Alfonso Esqueda, Region 249 Regional Referee Administrator.

Interested in becoming a (better) Referee? Sign-up for one of the upcoming courses listed on the Facebook Page or by finding a course that will work for you in www.eayso.org. There are plenty of dates to choose from. Find the one that is right for you!

If you have any questions about what it takes to volunteer as a referee or how you can take your referee skills to the next level, please contact Alfonso Esqueda.

Ref Training

Wouldn't it be nice if there was something that everyone could agree on? Well, there is one point that everyone in the AYSO Soccer universe can agree on: we all want our youth soccer matches to be played in a Safe, Fair, Fun environment. Making that happen is what being an AYSO referee is all about. Like a judge keeping the courtroom fair, or a playground monitor keeping the playground safe, the referee makes the game fun by ensuring fairness and safety. **"Safe, Fair, Fun"** doesn't just apply to our young players - it applies to the AYSO family including grownups as well. Referees must be at least 11 years old. Here's a plus for youths: the volunteer hours you complete with AYSO can be used to fulfill community service volunteer hours required by some communities and schools.

Becoming a referee might seem intimidating, but AYSO Region 249 makes it easy. It is the best referee training available. The course eases you into the role of referee through a step-by-step approach. You take an online course at your own pace then attend the companion field course which ends with a test to check for learning. Once you get a few games under your belt, we have more in depth classes to help you improve your skills.

You can start the volunteer process at any of the AYSO registration dates or visit: www.sanbrunoayso.org/referee.html to find more information and take the Online Referee Course. If you get stuck at any point or get lost you can contact Kevin Mitchell refereeinstructor@SANBRUNOAYSO.ORG to get help. After completing the online referee course let Alfonso Esqueda – Regional Referee Administrator referee@SANBRUNOAYSO.ORG know you are ready for the companion field course at Crestmoor. Visit <http://sanbrunoayso.org/referee.html> for more information and a schedule of the companion field courses – you only need to take one.

Why Should I Volunteer?

If you have children playing soccer with AYSO, you are probably a very busy person with limited free time. Volunteering with AYSO will take some of your time but it also brings you many benefits including:

- Helping to provide your children with a quality soccer experience
- Meeting other families in your community
- Knowing that you have helped others and made a difference
- Learning new skills
- Having fun

Most AYSO volunteers are parents but other family members (aunts, uncles, grandparents), college students, co-workers and former players also make great volunteers.

Do you know someone who would make a great volunteer?

Fall 2013 Registration

Fall 2013 Registration

Registration for the Fall 2013 season is just around the corner. Five registration events are scheduled this Spring starting in mid-April and running through the first weekend of June. Go to the Registration page at www.sanbrunoayso.org for more information about registration.

Important Requirements for Fall 2013

This year pre-printed Player and Volunteer Registration forms will no longer be available at registration events. You will need to pre-register your child(ren) and yourself online at www.eayso.org, then print and bring two (2) copies of the online forms to registration along with your payment.

We are using E-Signature starting with this registration. With E-Signature, Player Registration Forms and Volunteer Registration forms no longer require a "wet-ink" signature. In eAYSO.org, when prompted, check the box next to "I agree to use electronic signature". You must type your legal name when prompted for signature.

NOTE: We will have limited computer access at each registration event, but we recommend you complete the pre-registration process before coming to a registration event to save time and avoid long wait time.

Preparing for Registration

- * Pre-register online at www.eayso.org (players and volunteers)
- * Print and bring two (2) signed copies of the online forms
- * Bring child's birth certificate (NEW players to San Bruno AYSO only)
- * For players who will be 10 and older as of August 1: bring a current photo (1" x 1 1/2") for use on Player ID cards (print full name of player on back of photo)
- * Bring your payment: check, cash, Visa or MasterCard

Volunteering

Did you know that we have over 200 registered volunteers in our region? Everyone involved in bringing this soccer program to your children is a volunteer. We need coaches, assistant coaches, referees and team parents. We also need coach coordinators, field coordinators, registrars and more! We ask every parent to help out in some way.

To help protect our players and volunteers, **all** AYSO volunteers are required to fill out a volunteer application each year and to be approved by our local region and the national Safe Haven department. This year, **all** volunteer applications will be completed online and will use e-signature.

We are having a special registration event just for volunteers on Wednesday, **April 17, from 6:30 to 8:30** at the San Bruno Veterans Memorial Recreation Center. Vol-

unteers and their families can register on this day and avoid the crowds and long lines that are common at other registration times. Please fill out your volunteer form in advance at www.eayso.org and bring a printed copy with you. If this is your first time volunteering with our region you will also need to show photo identification, such as a driver's license.

If you're thinking of volunteering this year in any capacity, such as a coach, referee or team parent, please fill out an application as soon as possible at www.eayso.org, so that you can be registered, trained and ready to go when the season starts.

If you have any questions about volunteering, please email our Child and Volunteer Protection Advocate (CVPA) at cvpa@sanbrunoayso.org
