## U12 Boys Win Area 2B Make it Section

San Bruno AYSO is proud of the all the teams who competed to win during the regular fall season. The benefits of all the practices paid off for two of our teams. U12 Boys coached by Ray Ceely won 4 -3 over Millbrae on Sunday in the championship game.

## U10 Girls Win Area 2B Make it Section

In the U10 Girls division, San Bruno fielded two teams, the Pink Panthers coached by Zyanya Hernandez and the Super Strikers coached by Simon Mazzola. While it's great they both made it to finals in the Area tournament, that meant they played against each for the opportunity to play in the Section 2 Tournament this coming weekend. Simon's team the Super Strikers came out on top by a score of 4-3. Let's congratulate both teams and wish them good luck (and good weather) as they head to Foster City for this weekend's Section Tournament.

### And don't forget the U16 Girls

The U16 Girls "The Soccer Team" coached by Henry Dos Santos won the regular season with a record of 6 - 1 - 1 and then went on to win Area 2B/2N tournament 2-0 over Redwood City. This is a good start to the 2016 U16 Girls national team as many of these players will be playing in this coming summer's AYSO National Games in Florida representing San Bruno.
